**CONTRACTUAL AGREEMENT AND STATEMENT OF COOPERATION BETWEEN
The Will's Mountain Clogging Company directors AND THE PARENT(S) OR GUARDIAN
AND THE STUDENT FOR THE DANCE YEAR**

1. We/I understand that the Will's Mountain Clogging Company accepts all students on a trial basis only, and reserves the right to separate from the Company any student who cannot maintain the character standards and/or behavioral expectations of the studio.
2. We/I understand that my child will abide by the performance/competition rules as the director requests them (See the performance/competition standards).
3. We/I understand that my child and I are making a commitment to the team and understand that we/I should always be on time including putting shoes on and ready on the dance floor.
4. We/I understand that my child may only focus on 1 dance this year. After the routine is completed, the second routine may be introduced. We/I understand that my child and I are not to determine the year's progress based on the number of routines she/he participates in.
5. We/I grant to the directors of the Will's Mountain Clogging Company full authority and discretion in the discipline of our/my child. Discipline measures would include warnings or even expulsion from the Clogging Company. We/I understand we/I will be notified by a Company director. We/I agree to our/my child abiding by the discipline and WMSD dress look policies and procedures. Furthermore, we/I fully understand and agree to the policy that in-studio or out-of-studio use of drugs and/or alcohol and/or sexual immorality will result in expulsion from the Clogging Company.
6. In making application for our/my child, it is our/my desire to have him/her attend the **DANCE** year. We/I give permission for our/my child to take part in all dance activities, including workshops/seminars and competitions/performance away from the studio premises, and absolve the studio from liability to us/me for our/my child because of any injury to our/my child at the studio or during any dance activity. In case of accident or serious illness, we/I request the studio to contact us/me. If Will's Mountain School of Dance is unable to contact us/me or if the circumstances indicate immediate action is required, the studio may make whatever arrangements in its judgment as required. We/I authorize WMSD to release my child(s) medical information to the WMSD staff on a "need" to know basis.
7. We/I sincerely pledge our/my loyalty to the aims and ideals of the studio and will bring all questions and concerns directly to the directors, so that they may be properly considered. Will's Mountain School of Dance's instructional mission involves working with the home in the overall Christian aspects of students. On occasion this cooperation between the studio and home may become difficult. To avoid such situations, the studio requires parents enrolling their children or to maintain enrollment to affirmatively support and cooperate with the studio. As a parent: I/we agree to support the studio with my/our prayers and with a positive attitude. Complaints or negative comments will be shared only with the teacher, directors, or person involved and not with my/our child or other people, following the Matthew 18 principle. I/We understand that if at any time the studio determines, in its sole discretion, that my/our actions do not support the ministry, or reflect a lack a cooperation and commitment to the home and studio working together, the studio has the right to request a withdrawal of my/our child(ren). I/We understand this behavior brings the team down.
8. We/I accept full responsibility for the financial requirements for our/my child(ren) to attend the Will's Mountain School of Dance Clogging Company. We/I understand that any payment not paid by the 3rd lesson of the month will be charged a \$8.00 late fee. If lesson fees become one month delinquent, the student or students involved may be dropped from enrollment in the company.
9. We/I understand that my child is not to have a cell phone on the dance floor and allow it to be a distraction.

10. We/I understand that neither my child nor I should put anything pertaining to WMSD such as video or pictures on the internet, youtube, or other public media.

12. We/I understand that my child is not to have any suggestive material on the internet including myspace, facebook, youtube, instagram, etc that would compromise my child's testimony for the clogging company.

13. We/I understand that there will be a choreography fee that will be expected to be paid for certain highly competitive teams.

14. At some time the Clogging Company will be planning on performing at Disney World. This audition process is taking place right now and we will keep you updated on acceptance and details.

15. Sometimes we take certain classes to competitions in Cumberland (\$9.00 per dance), Bedford (\$10.00 per dance), or other cities. If your child is part of a recreational competitive team or highly competitive team and participates in local, regional, and national competitions, then your competition fees are due weeks before the competition.

16. We/I understand that clogger account money must be picked up by the parent and only after the entire outstanding bill is paid at the studio. Clogger account money must go to specific WMSD needs of the clogger.

Performance/Competition Standards pending on the directors request (subject to change with notification, to suit the particular performance/competition needs):

- Hair completely pulled back and ready
- Make-up completely finished or make-up done by team leaders
- Costume base on with warm-up over-top
- Proper team attire for award ceremonies
- Proper foot attire (no flip flops with panty hose)
- Quiet back stage
- No one backstage that is not involved in the performance
- Respect team mates and directors
- Do not over step boundaries, if you have a problem, see the director
- The team does not make their own decisions, see the director for the final say
- Honor bedtimes at overnight events, a good nights rest is important
- No showers/baths right before performance, this relaxes muscles
- Eat a well balanced meal 2 hours before. BREAKFAST is important.
- Make sure you have all your costume pieces.
- Cheer for other teams and let them know they did a good job.
- Watch parts of the competition for experience.
- Stay for the whole award ceremony.

Competition Teams:

We/I understand that the director's job is not to always make my child feel good or be their friend. We/I understand the director of a competitive team has to be the coach and a corrective leader.
